

Thoroughbred Incentive Program Award Winners **Series 2015**

* To qualify for a series TIP award, you must have shown in any 2 of the 3 2015 AEER shows. The eventing show is separate. *

* Winners are calculated by a tally of points in each show, similar to how each show total is figured out, based on how many Thoroughbreds are in each class. (Example: 2 TBs in a class, highest scoring TB gets 2 points, other TB 1 point)

* In the case of High Score Dressage Thoroughbred, it is based on the score of the test.

* Ties are broken up by number of awards per horse. For example, if horse A and horse B have the same number of points for one category, but horse already A has a TIP award from another category, then horse B gets the award for the tied category. If both horses have awards in other categories (or no awards), then the tie is broken by drawing names.

* [Prizes listed in Blue](#)

High Score Dressage Thoroughbred (Overall): Horse's registered name, Rider
Quinton's Flash, Dorothy Snowden (70%)
